

Cu

*Thru plane
High thermal
conductivity direction*

A grayscale micrograph showing a cross-section of a material. A dark, rectangular region is visible in the center. A white arrow points downwards from the text 'Thru plane High thermal conductivity direction'. The label 'Cu' is at the top right, with two lines pointing to the top surface of the dark region. The label 'TPG' is at the bottom right, with a line pointing to the bottom surface of the dark region.
